Welcome to Tranquillity

At Tranquillity our aim is to take you away from the stresses and strains of everyday life. To transport you into a peaceful tranquil environment.

Take time out and escape the pressures of life and let us care for your mind as well as your body.

We all deserve to be pampered.

With this in mind, we respectfully request that young children are not brought into the Salon. As well as not providing a safe environment for them, it does not allow you to totally relax.

They may also disturb other clients' enjoyment of their treatment.

To maintain our tranquil environment, we kindly ask you to switch off your mobile phone.

Tranquillity can be a way of life, not a luxury.

Male Clients

Whilst we are happy to treat male clients we make it a policy of the Salon that they are accompanied by a female, or that they have a female relation who is a regular client of the Salon.

Treating Clients Under 16 Years Old

All minors wishing to have treatments at the salon must first have written/signed consent from their parent or guardian, stating that they are happy for the treatment to go ahead. They must also be present throughout the treatment.

All treatments carried out in strictest confidence.
